

The following internet services are available to subscribers of the Philippi 'Blue Streak' Hi-Speed Internet Service:

- e-mail accounts @mypcstv.com with webmail access
- limited on line private storage
- limited on line public storage
- web site at [www.mypcstv.com/~username](http://www.mypcstv.com/~username)

These services are available by going to <http://myaccount.mypcstv.com> and logging in with your username and password. The screen shot below shows the page you will see after a successful login.

<http://myaccount.mypcstv.com/index.php>

The screenshot shows the user interface for the Blue Streak internet service. At the top left is the "BLUE STREAK" logo with the tagline "Local Hi-Speed Internet Service". On the left side, there is a navigation menu with links: Home, Change Password, Add/Rem Basic Services, Modify Spam/Virus Settings, Add / Edit child accounts, Manage Website, Webmail, Greymail, and Email Settings. A "Logout" button is located below the menu. A note indicates that changes made using the interface may take up to 30 minutes to take effect. On the right side, there are several sections: "Current Usage" showing Mail Storage (0.00 MB of) and Disk Use (0.00 MB); "Account Info" with fields for Userid, Name, and Account Number; "Mail Settings" with fields for Email Address (@mypcstv.com), Mail Quota, Incoming Mail Server (pop.mypcstv.com), and Outgoing Mail Server (smtp.mypcstv.com); and "Personal Web Site Settings" with fields for URL (http://www.mypcstv.com/~), FTP Server (ftp.mypcstv.com), and Ftp Username.

Direct access to your web mail is also available by going to <http://webmail.mypcstv.com> and logging in with your username and password.
